Event Day Highlights

The *Farewell Party 2025* was a vibrant mix of emotions, entertainment, and gratitude. The day was packed with performances, speeches, and activities that made it a truly unforgettable event.

1. Cultural Performances

- **Dance Performances:**

- The event began with a classical dance performance by junior students. The intricate expressions and graceful movements created a spiritual and culturally rich atmosphere.
- Seniors performed high-energy dance routines, transitioning from classical to contemporary styles, showcasing their diverse talents.
- Western dance performances added a modern and exciting flair to the event, energizing the crowd and leaving everyone mesmerized.

- **Song Performances:**

- Senior students delivered soulful and mesmerizing song performances, spanning classical melodies and contemporary hits.
- These performances symbolized gratitude, nostalgia, and a sense of belonging, resonating deeply with the audience.

2. Fun Activities and Awards

- **Spin the Wheel:**

- The "Spin the Wheel" game is a fun and interactive game often used for quizzes, decision-making, rewards, or just entertainment. This fun and interactive segment became one of the most exciting parts of the event.
- Participants, including seniors, juniors, a player steps up and spins the wheel. Wait until the wheel comes to a complete stop. See what the pointer lands on. The player performs the task or gets the reward/penalty based on the results such as singing, dancing, mimicking professors, telling jokes, or acting out dramatic scenes.

- The activity brought spontaneity and laughter to the event, with each participant adding their own creative spin to the task.
- The audience enthusiastically cheered for their peers, creating a vibrant and inclusive atmosphere.
- Small prizes were given to participants with outstanding or hilarious performances, making it a memorable part of the celebration.

- **Blind Cup Stacking:**

- The Blind Cup Stacking game is a fun and challenging activity where players stack cups while blindfolded. It's great for parties, team-building, classroom activities, or family game nights.
- Participants, including seniors, juniors. Start the timer (optional) or say GO. The blindfolded player tries to stack the cups into the correct formation using only their sense of touch. If the tower/pyramid falls, the player must rebuild — all while staying blindfolded. The round ends when the correct structure is built and stable Or the timer runs out (e.g., 1 minute).
- Small prizes were given to participants with outstanding or hilarious performances, making it a memorable part of the celebration.

- **Guess the Song:**

- “Guess the Song” is a fun and engaging music game where players try to identify songs based on short clips, lyrics, or tunes.
- Participants, including seniors, juniors. To guess the correct song title (and optionally the artist) based on a given clue — usually a snippet of the song, lyrics, or melody.
- Small prizes were given to participants with outstanding or hilarious performances, making it a memorable part of the celebration.

- **Tic Tac Toe- Flip the Bottle Game:**

- This is a fun twist on the classic Tic Tac Toe game — using bottle flipping to place your mark (X or O) on the board! It combines skill, luck, and strategy, and it's perfect for parties, classrooms, or group games.
- Participants, including seniors, juniors. To flip a bottle and land it upright on a square to claim that spot with your symbol (X or O). The first player to get three

in a row (horizontally, vertically, or diagonally) wins!

- Small prizes were given to participants with outstanding or hilarious performances, making it a memorable part of the celebration.

- **Special Awards and Recognitions:**

- Faculty members were honored with personalized gifts as a token of gratitude for their guidance and support.
- Seniors were presented with mementos, symbolizing their journey and memories at the institution.
